## **OFFICE MANAGER and LITERATURE**

November is Gratitude month. There are envelopes for the meetings to use when giving their gratitude collections.

Meetings can have a group conscience to decide if they will collect gratitude for central office through the month of November.

Intergroup is discussing and considering giving a percentage of our collected gratitude to New York. This is tabled and will be discussed next meeting.

Purchasing a new computer, still researching costs.

Henry Mayo's BHU has reached out and wants to get together to learn more about AA. The meeting is scheduled for November 12<sup>th</sup> with the director.
