Your DCM  
District Committee Member

What is a DCM?  
The heart of A.A. is the group, which elects a general service representative (GSR). The GSR attends district meetings that are made up of the groups in that district. The GSRs elect a district committee member (DCM). Thus, the DCM is the vital link between the members of the area service structure, including the General Service Conference.

Where does the DCM come from?  
GSRs in each district usually elect candidates for a good district committee member background in A.A.
